**RENEWED PETITION TO REVIVE UNINTENTIONALLY ABANDONED**

**APPLICATION UNDER 37 CFR 1.137(B)**

Sir:

Applicant respectfully requests revival of the above identified application.

The Office of Petitions Decision mailed September 21, 2005, indicated that the application had been abandoned for failure to timely file formal drawings as required by the Notice of Allowability.

The Notice of Allowability was not received by Blakely Sokoloff Taylor & Zafman LLP. The error lead Applicant to believe that no formal drawings were required. Therefore, Applicant merely paid the issue fee and did not submit formal drawings. The failure to file formal drawings was entirely unintentional.

Accompanying this Petition is a Submission of Formal Drawings and a copy of the Revocation and Power of Attorney mailed on September 5, 2003 with the return receipt postcard date stamped by the USPTO. Thus, Applicant respectfully requests revival and issuance of the above-identified application.

Please charge any shortages and credit any overages to our Deposit Account No. 02-2666.

Respectfully submitted,

BLAKELY SOKOLOFF TAYLOR & ZAFMAN LLP

**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
